

CGHS Music Matters

CG TONIGHT!

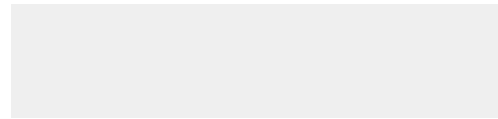

A New Format for the Open Mic Night

Monthly

CGHS Music Matters will host monthly CG Tonight! open mic nights. The new format will include:

1. Performers who sign up (prepared performers only-poets, actors, comedians, magicians, singers, instrumentalists, small band combos, etc.)
2. A host. The host will be a drama class member. The host will invite the performers to the stage and ask them questions in an intimate interview style. All artists have stories behind their work and this format will give them a chance to share and the audience a chance to understand the meaning and background behind the artist's performance.
