Welcome

to the 2019 Music Academy Summer Band Camp. It is important to know that **YOU** are taking a step in the right direction towards **"Pursuing Excellence From Day One"**! We hope that you enjoy your time, make new friends, and take away new skills from all the staff/teachers at camp. We encourage you to also keep playing in the Music Academy program throughout this coming year as we will be performing often with the Mater Dei High School Instrumental Music Program as well as taking fun trips to places like **Knotts Berry Farm** or **Disneyland's California Adventure Parks**. We also plan on participating in our first ever concert band festival which will be adjudicated by teachers and clinicians from across the country. **THIS IS A FIRST FOR US** as we develop the Music Academy to its fullest potential!. Here is to another incredible, musical, and enlightening year! **LET'S GO!**

Camp Expectations:
