People who make music together cannot be enemies, at least while the music lasts. We are friends forever when we sing together. The whole world is better when we sing. So let's sing forever hold our hands together, make the whole world better come and sing.

## Rainbow Connection

Why are there so many Songs about rainbows And what's on the other side Rainbows are visions They're only illusions And rainbows have nothing to hide So we've been told and some chose to Believe it But I know they're wrong wait and see Someday we'll find it The Rainbow Connection The lovers, the dreamers and me	Who said that every wish Would be heard and answered When wished on the morning star Somebody thought of that And someone believed it And look what it's done so far What's so amazing That keeps us star gazing What do we think we might see Someday we'll find it That Rainbow Connection The lovers the dreamers and me	All of us under its spell; We know that its probably magic Have you been half asleep And have you heard voices, I've heard them calling my name, Is this the sweet sound that calls The young sailors, The voice might be one and the same. I've heard it too many times to ignore it It's something that i'm supposed to be, Someday we'll find it The rainbow connection... The lovers, the dreamers and me
--	--	--

I dream a world where man  
No other man will scorn,

Where love will bless the earth  
And peace its paths adorn  
I dream a world where all  
Will know sweet freedom's way,  
Where greed no longer saps the soul  
Nor avarice blights our day.  
A world I dream where black or white,  
Whatever race you be,  
Will share the bounties of the earth  
And every man is free,  
Where wretchedness will hang its head  
And joy, like a pearl,  
Attends the needs of all mankind-  
Of such I dream, my world!

-Langston Hughes

## Reach Out

Sometimes it frightens me as I watch this world take shape. Look all around and see so many signs of hate. There must be something more in store for this great land. I've thought it through; I'm sure its true; The keys at our command!

Reach out! Talk to each other share all your hopes your dreams and your fears. Reach out! Smile at your brother. Who knows your laugh may dry all his tears.

Reach out! Talk to each other share all your hopes your dreams and your fears. Reach out! Smile at your brother. Who knows your laugh may dry all his tears.

Love's alive. If we strive, we'll show people why life's worth living. Do it now! Take the vow, we're gonna do it, we must.

Learn how to trust.

Love's alive. If we strive, we'll show people why life's worth living. Do it now! Take the vow, we're gonna do it, we can, if we just hold out our hands!

Reach out, and talk, and smile and love. Hold out your hand today!

For the beauty of the earth  
 For the beauty of the skyes  
 For the love  
 wich from our birth  
 Over and around us lies  
 Over and around us lies  
 Lord of all to thee we raise  
 This our joyful hymn of praise  
 For the beauty of the hour  
 Of the day and of the night  
 Hill and vale  
 And tree and flower  
 Sun and moon and stars of light  
 Lord of all to thee we raise  
 This our joyful hymn of praise

For The Beauty of the Earth

For the joy of human love  
 Brother, sister, parent, child  
 Friends on earth  
 And friends above  
 For a gentle  
 Thoughts and mild

 To our race so freely given  
 Graces human and divine

Seasons of Love

Five hundred twenty-five thousand six hundred minutes	Five hundred twenty-five thousand six hundred minutes	Remember a year in the life of friends
Five hundred twenty-five thousand moments so dear	Five hundred twenty-five thousand	Remember the love Measure in love
Five hundred twenty-five thousand six hundred minutes	Journeys to plan	Measure, measure your life in love
How do you measure, measure a year?	Five hundred twenty-five thousand six hundred minutes	Seasons of love Seasons of love
In daylights, in sunsets	How do you measure the life Of a woman or a man?	
In midnights, in cups of coffee	In truths that she learned	
In inches, in miles	Or in times that he cried	
In laughter, in strife	In bridges he burned	
In five hundred twenty-five thousand six hundred minutes	Or the way that she died	
How do you measure a year in the life	It's time now to sing out Tho' the story never ends	
	Let's celebrate

### One Call Away

I'm only one call away  
 I'll be there to save the day  
 Superman got nothing on me  
 I'm only one call away  
 Call me, baby, if you need a friend  
 I just wanna give you love  
 Come on, come on, come on  
 Reaching out to you, so take a chance  
 No matter where you go  
 You know you're not alone

Come along with me and don't be scared  
 I just wanna set you free  
 Come on, come on, come one  
 You and me can make it anywhere  
 For now, we can stay here for a while, ay  
 'Cause you know, I just wanna see you smile  
 No matter where you go  
 You know you're not alone

I'm only one call away  
 And when you're weak I'll be strong  
 I'm gonna keep holding on  
 Now don't you worry, it won't be long, Darling  
 And when you feel like hope is gone  
 Just run into my arms  
 I'm only one call away  
 I'll be there to save the day  
 Superman got nothing on me  
 I'm only one, I'm only one call away  
 I'll be there to save the day  
 Superman got nothing on me  
 I'm only one call away

### Beautiful City

Out of the ruins and rubble,  
 Out of the smoke,  
 Out of our night of struggle  
 Can we see a ray of hope?  
 One pale thin ray reaching for the day...  
 We can build a beautiful city.  
 Yes, we can(Yes, we can)  
 We can build a beautiful city.  
 Not a city of angels,  
 But we can build a city of man.

We may not reach the ending,  
 But we can start.  
 Slowly but surely mending,  
 Brick by brick,  
 Heart by heart.  
 Now, maybe now,  
 We start learning how.  
 We can build a beautiful city.  
 Yes we can(Yes, we can).  
 We can build a beautiful city.  
 Not a city of angels,  
 But we can build a city of man

When your trust is all but shattered.  
 When your faith is all but killed.  
 You can give up bitter and battered,  
 Or you can slowly start to build!  
 A Beautiful City.  
 Yes, we can.(Yes, we can)  
 We can build a beautiful city,  
 Not a city of angels,  
 But finally a city of man!

We shall overcome, we shall overcome someday.  
 Oh deep in my heart I do believe, we shall overcome someday.

We shall live in peace, we shall live in peace someday.  
 Oh deep in my heart I do believe, we shall overcome someday.

Behold how good and how pleasant it is, for brethren to dwell together in unity.  
 Behold how good and how pleasant it is, for brethren to dwell together in unity.

Unity, unity, lord we pray for unity  
 Unity, unity, lord we pray for unity

### If I Had a Hammer

If I had a hammer I'd hammer in the morning I'd hammer in the evening All over this land I'd hammer out danger I'd hammer out a warning I'd hammer out love between My brothers and my sisters All over this land	If I had a bell I'd ring it in the morning I'd ring it in the evening All over this land I'd ring out danger I'd ring out a warning I'd ring out love between My brothers and my sisters, ah-ah All over this land	If I had a song I'd sing it in the morning I'd sing it in the evening All over this world I'd sing out danger I'd sing out a warning I'd sing out love between My brothers and my sisters ah-ah All over this land	I got a hammer And I've got a bell And I've got a song to sing All over this land It's the hammer of justice It's the bell of freedom It's the song about love between My brothers and my sisters All over this land
