**Come and Sing**

People who make music together cannot be enemies, at least while the music lasts. We are friends forever when we sing together. The whole world is better when we sing. So let’s sing forever hold our hands together, make the whole world better come and sing.

So let’s sing forever hold our hands together, make the whole world better come and sing.

**Rainbow Connection**

Why are there so many Songs about rainbows
Who said that every wish would be heard and answered
All of us under its spell;
And what’s on the other side When wished on the morning star
Have you been half asleep
Rainbows are visions
Somebody thought of that
The young sailors, And have you heard voices,
They’re only illusions
And someone believed it
I’ve heard them calling my name, And rainbows have nothing to hide
And look what it’s done so far
Is this the sweet sound that calls
So we’ve been told and some What’s so amazing
That keeps us star gazing
chose to
The voice might be one and the same.
Believe it But I know they’re wrong I’ve heard it too many times to ignore it
wait and see
What do we think we might see
It’s something that i’m supposed to be,
Someday we’ll find it
Someday we’ll find it
The Rainbow Connection
That Rainbow Connection
It’s something that i’m supposed to be,
The lovers, the dreamers and me
The lovers, the dreamers and me
Someday we’ll find it
The rainbow connection...
The lovers, the dreamers and me
Where love will bless the earth
   And peace its paths adorn
   I dream a world where all
   Will know sweet freedom's way,
   Where greed no longer saps the soul
   Nor avarice blights our day.
A world I dream where black or white,
   Whatever race you be,
Will share the bounties of the earth
   And every man is free.
Where wretchedness will hang its head
   And joy, like a pearl,
Attends the needs of all mankind
   Of such I dream, my world!

-Langston Hughes
Reach Out

Sometimes it frightens me as I watch this world take shape. Look all around and see so many signs of hate. There must be something more in store for this great land. I’ve thought it through; I’m sure its true; The keys at our command!

Reach out! Talk to each other share all your hopes your dreams and your fears. Reach out! Smile at your brother. Who knows your laugh may dry all his tears.

Love’s alive. If we strive, we’ll show people why life’s worth living. Do it now! Take the vow, we’re gonna do it, we must.

Learn how to trust.

Reach out, and talk, and smile and love. Hold out your hand today!

For the beauty of the earth
For the beauty of the skies
For the love

Lord of all to thee we raise

Sun and moon and stars of light
Lord of all to thee we raise
This our joyful hymn of praise

For each perfect gift of thine
To our race so freely given
Graces human and divine
Flow'r's of earth and buds of heav'n

Lord of all to thee we raise
This our joyful hymn, our joyful hymn of praise
This our joyful hymn of praise

Five hundred twenty-five thousand six hundred minutes
Five hundred twenty-five thousand six hundred moments so dear
Five hundred twenty-five thousand six hundred minutes
How do you measure, measure a year?
In daylights, in sunsets
In midnights, in cups of coffee
In inches, in miles
In laughter, in strife
In five hundred twenty-five thousand six hundred minutes
How do you measure a year in the life

Remember a year in the life of friends
Remember the love
Measure in love
Measure, measure your life in love
Seasons of love

One Call Away

I’m only one call away
I’ll be there to save the day
Superman got nothing on me
I’m only one call away
Call me, baby, if you need a friend
I just wanna give you love
Come on, come on, come on
Reaching out to you, so take a chance
No matter where you go
You know you’re not alone

Come along with me and don’t be scared
I just wanna set you free
Come on, come on, come one
You and me can make it anywhere
For now, we can stay here for a while, ay
‘Cause you know, I just wanna see you smile
No matter where you go
You know you’re not alone

I’m only one call away
And when you’re weak I’ll be strong
I’m gonna keep holding on
Now don’t you worry, it won’t be long, Darling
And when you feel like hope is gone
Just run into my arms
I’m only one call away
I’ll be there to save the day
Superman got nothing on me
I’m only one call away
I’ll be there to save the day
Superman got nothing on me
I’m only one call away

If I had a hammer
I’d hammer in the morning
I’d hammer in the evening
All over this land
I’d hammer out danger
I’d hammer out a warning
I’d hammer out love between
My brothers and my sisters, ah-ah
All over this land

Beautiful City

Out of the ruins and rubble,
Out of the smoke,
Out of our night of struggle
Can we see a ray of hope?
One pale thin ray reaching for the day...
We can build a beautiful city.
Yes, we can! (Yes, we can)
We can build a beautiful city.
Not a city of angels,
But we can build a city of man.

We may not reach the ending,
But we can start.
Slowly but surely mending,
Brick by brick,
Heart by heart.
Now, maybe now,
We start learning how.
We can build a beautiful city.
Yes we can! (Yes, we can).
We can build a beautiful city.
Not a city of angels,
But we can build a city of man.

When your trust is all but shattered.
When your faith is all but killed.
You can give up bitter and battered,
Or you can slowly start to build!
A Beautiful City.
Yes, we can! (Yes, we can)
We can build a beautiful city,
Not a city of angels,
But finally a city of man!

If I Had a Hammer

I got a hammer
And I've got a bell
And I've got a song to sing
All over this land
It’s the hammer of justice
It’s the bell of freedom
It’s the song about love between
My brothers and my sisters
All over this land

We Shall Overcome

We shall overcome, we shall overcome someday.
Oh deep in my heart I do believe, we shall overcome someday.

We shall live in peace, we shall live in peace someday.
Oh deep in my heart I do believe, we shall overcome someday.

We shall overcome, we shall overcome someday.
Oh deep in my heart I do believe, we shall overcome someday.

Unity

Behold how good and how pleasant it is, for brethren to dwell together in unity.
Behold how good and how pleasant it is, for brethren to dwell together in unity.

Unity, unity, lord we pray for unity
Unity, unity, lord we pray for unity
