

Who Are We

The Edison Band Patrons group is an organization of parents that are dedicated to providing additional help and needed funds to all the Edison Middle School Bands and band students. The Edison Band Patrons group consists of an executive board: President, Vice President, Secretary and Treasurer. More information can be found at www.ems-bands.com under the Band Patrons tab.

What We Do

We help to organize the vital parent volunteers throughout the year for various events, including fundraisers, concerts, field trips, and other band events. Additionally, the group manages the Edison Bands website (www.ems-bands.com) and social media accounts. Fundraising efforts by the Patrons have allowed the band to sponsor special guest speakers for the students as well as the purchase of equipment and instrument repair.

Get Involved

All Edison Middle School Band parents are members of the Edison Band Patrons group and no fee is needed in order to take part. The Band Patrons group meets on the first Monday of each month during the school year to discuss fundraising needs, trips, concerts, and ways to provide essential needs for the band program.

The Edison Band Patrons offer a variety of individual and group fundraisers throughout the year for students to raise money for the band, for their 8th grade band trip and for special events. Though fundraising events vary from year to year, our major event is the sale of Fannie Mae candies in the fall. In the spring, the jazz bands hold their popular Java 'N Jazz fundraiser. This year, our Java 'N Jazz event was sponsored by Parkland College's Department of Fine and Applied Arts. These fundraising endeavors have allowed the band to sponsor guest speakers and the ability to purchase additional equipment. For the 2018-19 school year, Edison students were able to experience guest lectures/performances given by Yamaha endorsed artist Christopher Johnson, University of Illinois jazz trumpet professor Tito Carrillo, &

percussionist Xavier Breaker.

GET IN TOUCH
