

Good Morning,

What a wonderful concert last night! All of the kids played and performed so well. Can't wait to see the VE recital this weekend! As was mentioned in the announcements, we are looking for section parents for the upcoming year. Most (almost all) of our previous section parents were senior parents to assist those who had not had a competition season understand the ins and outs, thanks in part to Covid. Now that we have all had that experience, we are looking for section parents to answer questions our incoming parents, and existing parents, may have about the season. If you are interested in assisting in any of the following sections, please email Kristi at vicepresident@rouseband.org:

- Trombone
- Clarinet
- Saxophone
- Trumpet
- Mellophone
- Euphonium/Tuba

If you have any questions about what this will entail, we are happy to answer them!

Thank you,
