GREATER ATLANTA
CHRISTIAN SCHOOL

This is one of six tri-fold brochures that were created to showcase music education at GAC. The link to visit our social media is included in the brochure.

From beginning classes in fifth grade to our esteemed High School Symphonic Band, GAC offers multiple opportunities for students of all skill levels to explore and advance their artistry in wind and percussion instruments. Whether our Spartans are performing in a parade in Ireland or at a Friday night football game, our award-winning program focuses on providing students with a broad range of experiences and opportunities necessary to thrive and achieve their highest potential.

In 2022, Symphonic Band and Concert Band received all Superiors and Straight Ones in all categories at their Large Group Performance Evaluations. The Marching Spartans received superior ratings in percussion, color guard and drum major while also receiving first in class at their competition.

Class Offerings

Elementary
Fifth Grade Band

Middle School
