## Special Thanks To:

Elliott Park, Laura Doherty, Joanie Leeds, and Jesse Freidberg. I am thrilled that our students were able to collaborate with these musically talented and generous people. We could not have had such an incredible experience without them! Make sure to look up their music to find more great songs for families. Thanks to the MES staff who joined us on stage during "To the Moon and Back" to help tell our first graders how important they are to us.

### We also want to thank our support behind the scenes:

Kyle White - MES Principal Lindsey Vincent - MES Assistant Principal

Shea Poynter - Facility Operator at MPAAC
