The benefits for the Halpin Music Repair Truck Program:

1. Increased student time on working instruments
2. Students are aware of instruments not working and the necessity of a working instrument.
3. Increased student care of instruments
4. Greater security of our long-term instrument purchase plan
5. Halpin Music has a firm understanding of our program and all of our instrument inventory.
6. Halpin Music is able to know of instruments and guide repairs that need extra attention.
7. Halpin Music has become a partner in our community.
8. Students first hand are seeing a music business career path.
