Willis Music,

On behalf of the Cincinnati All-Star Drumline, I want to extend our heartfelt gratitude for your generous support. Your contribution played a crucial role in making this ensemble a success, allowing our students to showcase their talents and create an unforgettable experience for both themselves and the community.

Our students proudly performed for a very energetic crowd in the 2025 Findlay Market Reds Opening Day Parade. Beyond the performance itself, this experience was invaluable in fostering collaboration, teamwork, and a sense of unity among young musicians from across Greater Cincinnati. Your support helped provide a platform for students to connect, grow, and strengthen the bonds of our vibrant music education community.

We truly appreciate your investment in the arts and your belief in the power of music education. Your generosity has left a lasting impact, and we look forward to continuing this partnership in the future.
